

Full Time Youth Mental Health Support Specialist I
Wythe Youth Services
Position: #YS0007

To provide training and supports to young adults and caregivers who have serious emotional disorders and mental retardation to achieve and maintain community stability and independence in their community. Position to work as part of a treatment team and is responsible for conducting and coordinating assessments and treatment planning, providing intensive clinical services, and obtaining follow-up outcome reports. The position is based in Wythe County.

Applicant must meet specified knowledge, skills, and abilities requirements that include knowledge of serious mental illness, substance abuse, treatment modalities and intervention techniques, consumer's rights and community resources. Skills in client assessment, service planning and delivery, identifying and creating resources are needed. Ability to work independently and as a team member, with effective oral and written communication skills, are a must. Qualified Mental Health Professional required. Bachelor's degree in a human services field preferred along with at least one year of work experience.

Full-time and must be able to work a flexible schedule, including evenings. For more information contact KJ Holbrook at 276/223-3291.

SALARY RANGE: \$28,431 - \$46,926 (Level 11)

APPLICATION DEADLINE: February 27, 2012

Applications must be RECEIVED by the deadline in order to be accepted.

Your application has been received and will be forwarded for review. If you are chosen for an interview, the supervisor over the position, or an associate, will contact you directly. Please note that I am not involved in the interview process nor am I a part of the hiring decision. Specific details of the position or your skills and qualifications should be discussed during an interview. Thank you.
